

CLIFFORD ALL SAINTS PRIMARY SCHOOL

NEWSLETTER MARCH

LOOK AT WHAT WE ARE LEARNING

RECEPTION

Duck class have enjoyed learning about the adventures of Paddington Bear. We went on our own adventure to explore our local area. We found a post office, hairdressers, fishmongers and a church, among many other exciting things! We have been making our own maps to show the journey that we took. The children have been comparing our local area to London, discussing some of the similarities and differences. We think Paddington should come to Sheffield for his next adventure!

YEAR 1

Year 1 have been enjoying their learning about the history of Sheffield this half term. We became archaeologists and dug for facts about Sheffield castle. We learnt about the history of Sheffield football club, and we even met Lizzie the elephant, who helped Sheffield during the first world war! In science, we have been learning about materials and conducting experiments to see which materials are waterproof. We were very excited to have a visit from the Easter bunny to end the term. The children made some beautiful Easter baskets which the Easter bunny filled with goodies.

YEAR 2

We have thoroughly enjoyed learning about the continent Africa recently and the country Kenya! We have learnt key facts, including where Kenya is, the population of Kenya and the key landmarks. One of our favourite things to learn about has been the Big 5, the national parks and game reserves in Kenya. Children have also been doing their own research at home and we have enjoyed sharing facts and information in class. After reading our Whole Class Guided Reading book, Lila and the Secret of Rain, we have written diary entries and setting descriptions. The book has lots of beautiful illustrations that we enjoyed looking at together. In our PSHE learning, we have been talking about our happy suitcases that contain all the things that make us feel happy inside!

YEAR 3

Y3 have done really well learning about fractions in maths. They have written exciting escape stories in English and have really enjoyed learning about the life of Harriet Tubman in History. Y3 have really enjoyed having Ms Callaghan teaching them alongside Mr Hamblin; whilst they will no doubt miss Ms Callaghan, they wish her all the best for the future.

YEAR 4

Year 4 have been learning all about the Windrush Generation in our text The Windrush Child as well as learning about Rosa Parks and other key figures in black history. The children have enjoyed photographing and creating their own collages of still life in Art and have enjoyed writing their own play scripts.

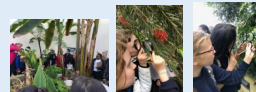

YEAR 5

Early in March, Y5 were invited to the Hallamshire tennis and squash club. Here they got to experience the quick reflexed sport of squash! Behaviour and enthusiasm were brilliant, as the children tried out a new sport in an exciting environment - there was a lot of potential on display!

YEAR 6

This half term has been incredibly busy and we have been trying to squeeze in all our learning! We have been carrying on finding out about the bravery of women determined to fight for equality in our History & English lessons. We finally got to visit the Botanical Gardens on Friday where we completed our workshop on the evolution of plants looking at the evolutionary journey from algae to flowers over millions of years!

SPONSORED LITTER PICK

Thank you and well done to our wonderful children and parents who helped to keep our local area beautiful through their sponsored litter pick.

You are AMAZING!

WORLD BOOK DAY

We had a fantastic day in school for World Book Day. We all enjoyed sharing the story 'Leaf' by Sandra Dieckmann and learning all about new authors and stories to share. Here are a few photos of brilliant costumes we saw in school on the day!

THANK YOU FOR BEING AMAZING!

Together, we've raised an incredible
£339
for Red Nose Day 2023

NETHER GREEN FC PLAYERS WANTED
