### June

### LOOK AT WHAT WE ARE LEARNING

#### RECEPTION

Duck class have enjoyed learning about pirates and mermaids this month! They enjoyed our dress up day at the start of the term and made some fantastic pirate hats. We investigated which materials would be waterproof to make a tail for a mermaid and the children designed and built pirate ships. We then tested the children's ships in the water to find out if they would float. We had some very successful ships! The children have also enjoyed learning about different sea creatures and have done some amazing independent writing.

#### YEAR 1

Year 1 have been learning about Florence Nightingale and the positive impact she had on society. We enjoyed learning facts about Florence as well as exploring how hospitals have changed throughout history. We used 'hot seating' to express characters' feelings and emotions and were able to write a diary entry from the perspective of Florence Nightingale. This afternoon we enjoyed making fruit salads—they were delicious!

#### YEAR 2

In preparation for making our own vegetable stew, Year 2 had a fantastic time practising our food preparation and hygiene skills by making a potato salad.

#### YEAR 3

Y3 visited Castleton as part of their geography topic on the Peak District. They did fieldwork around the village and visited Peveril castle. They enjoyed a well earned ice lolly before getting the bus back to school.

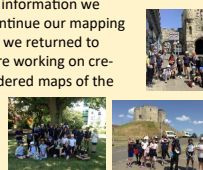

#### YEAR 4

In year 4 this term we have been getting lost into our adventure story Kensuke's Kingdom, where a boy gets tipped overboard and gets deserted on an island. The theme continues with water as we look at rivers and the water cycle in Geography. We will go on our trip to Porter Brook river in the 30th June.

#### YEAR 5

Earlier this month Y5 went to York on a Geography field trip - planning and completing a route around the entire city walls and looking at the human and physical features of the walled city in comparison to Sheffield. We were treated to beautiful weather, yet a slight refreshing breeze as we collected the information we needed to continue our mapping project when we returned to school. We are working on creating embroidered maps of the route that we took in D & T!

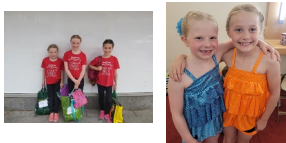

#### YEAR 6

In Y6 we started our final, and very busy, term here at Clifford with a visit to the Lifewise Centre and Crucial Crew where we took part in different scenarios learning about how to keep ourselves safe. Many of us have been to visit our new secondary schools and meet our new teachers, whilst also starting to make some new friends. Our new school buildings are much bigger than here at Clifford, but we're sure that after a week we won't be getting lost! We are learning about coastlines this half term and how they are formed and constantly changing and the effects of this on the local area.

### Our pupil achievements

We wanted to share with you Claire's amazing achievement. Claire won the bronze medal in the JMC mathematics competition.

A huge well done to Imogen, Bonnie, Ella and Jess who took part in Sheffield Performing Arts show at City Hall. What a fantastic experience, we're very proud of them!

### School Disco!

The EYFS and KS1 disco will take place at the Psalter Lane site on Wednesday 12th July 2023 from 3:15-4:15pm.

The KS2 disco will take place at the Ringinglow Road site on Friday 14th July 2023 from 3:45-4:45pm.

Please give consent and payment via ParentPay for your child to attend.

### PTA Summer Fayre Saturday 8th July 11am-2pm

The Clifford All Saints PTA Summer Fayre is taking place on Saturday 8th July from 11am - 2pm at the Psalter Lane site.

We would love to see you there!
