## News related to the building project

### Our new EYFS outside area

Mrs Hamblin has been busy working with the designers to create a brand new bespoke learning environment for our reception children. The canopy has started to be fitted and the sleepers that are lining the stone wall have arrived ready to be fitted. This will give the space a 'natural' feel. The new door from the classroom to the outside area will enable the children to move easily from inside to outside, all on one level. There will be a new climbing frame fitted in the larger playground area.

### War Memorials from Psalter Lane

Our special war memorials that remember the boys from Clifford School who lost their lives in the Great War have been safely moved up to Ringinglow Road. Mr Newall is going to give them a clean and then they will be put up in pride of place at Ringinglow. While we may have moved sites, our school community is the same one that these brave young men belonged to.

### Clifford All Saints School Values

Thank you so much to everyone who has been involved with the consultation process for our new school values. It has been amazing to hear so many different voices in our community share what they feel are integral values for our children to carry through their time at Clifford All Saints and beyond. We will launch these formally in the second part of the autumn term but wanted to give you a sneak peek now!
