

We are going to share ongoing work on our vision and values over the coming weeks!

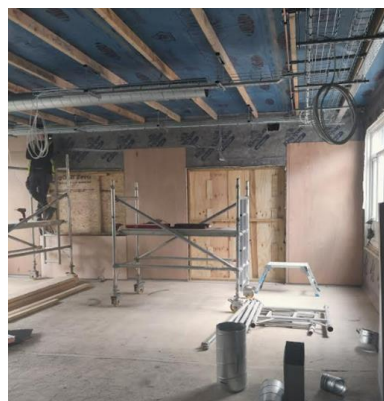

3.9.23

Welcome back to a new term at Clifford All Saints and our new building newsletter

News related to the building project

Over the summer holiday, the builders have been incredibly busy. The classrooms and outdoor spaces are really starting to take shape. The new roof lights have been put in, the two canopies are being erected and the building now has a new power supply. All very exciting! Here are some photos of the classrooms as they are at the moment.

We are so grateful to members of our PTA, Breathing Space Landscapes and Gripple who have been working hard over the summer to make huge improvements to the garden at the front of the building at Ringinglow. It's really taking shape!

<https://www.gripple.com/about-gripple/>

'I'm really excited about being on the same site as my sister and seeing her'

'I'm excited about the playground and having more space to run around'

'I'm excited about having a brand new home corner in the new classroom. We are going to get lots of new furniture and things for it.'

'I'm happy about having a brand new classroom that no other children have been in'

'When we go to RR, I'm excited about being able to play with lots of different children'

At the end of the term in July, the classes chose their favourite ideas for new class names for the new building. There were some great ideas, staff are now going to look at these and this will be shared soon!

Reception

Psalter Infants
Owl school

Year 1

Psalter stars
Hedgehog house

Year 2

Little Psalter
Psalter building

Here are some comments that were shared by some of our little people at the end of last term when we were looking ahead to this academic year
