At Clifford All Saints we are aware that we may from time to time admit children who are at risk of anaphylaxis.

We are happy to accommodate children who are at risk from anaphylaxis on the condition that we have full communication with parents, Doctors and the School Nurse.

Each child will have its own individual care plan.

When we admit a child with anaphylaxis all staff will get training from the school nurse.

All information regarding this condition is kept in a file in the First Aid room on each site and is continually reviewed and updated.
