NOVEMBER

LOOK AT WHAT WE ARE LEARNING

RECEPTION

Duck class have been learning about Diwali this month. Children learnt the story of Rama and Sita and then enjoyed making their own Diya lamps out of clay. They also created rangoli patterns out of coloured sand and chalk. We compared Diwali to Bonfire night and learnt that people celebrate both with fireworks, sparklers and special food.

YEAR 1

In November, Year 1 have been exploring the book 'Town Mouse, Country Mouse'. We have been doing some brilliant writing all about the book! In Geography, we have been looking at our school and using compass points to find different physical and human features on various maps. In our outdoor learning area, we have enjoyed creating a stable house for the Three Little Pigs as we explored materials in Science.

YEAR 2

Y2 had a very exciting delivery last week - a pet dragon - and we wrote instructions for caring for her. Then, disaster, she escaped! We've made missing posters for Indigo and now we're writing a story about her adventure.

YEAR 3

Year 3 have started their topic on the Stone Age - Iron Age. We learnt about how archaeologists use primary sources in History and had the chance to analyse a Stone Age burial to see what we could learn from it. We have also been exploring paint blowing techniques to do some art inspired by the cave paintings in Cueva de Las Manos in Argentina. As part of our learning about Remembrance Day, we made a poppy wreath.

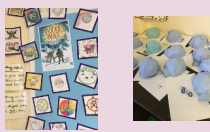

YEAR 4

In year 4, we have learnt about Remembrance Day, we took part in a special assembly and made our own poppies. For anti-bullying week we focused on our school value "kindness" and as part of the "one kind word" theme we made thank you cards to make people smile. We also dressed up in our pyjamas to raise money for Children in Need.

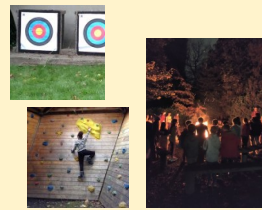

YEAR 5

Y5's looked at 'Polar Pet igloos' inspired by our book the Polar Bear Explorer's Club and some of our watercolours in the style of the Inuit artist Ke-nojuak Ashevak.

YEAR 6

Year 6 had an amazing time on their trip to The Oakes. There are blog posts available to read on the school website showing all of the fun we had while we were there!

We were delighted to invite Ellie Simmonds (OBE) into school. She has been working with a film crew and some of our children. (More on that next year!) She also joined a Key stage 2 assembly (which was not filmed) and talked about her experiences of winning numerous gold, silver and bronze medals in Paralympic swimming.

Our children were in awe of Ellie. She was so passionate and humble. She taught us all a lot about perseverance. We also linked her visit to our learning on Anti-bullying week.

HOW WE CELEBRATED REMEMBRANCE DAY

TERM DATES

November 2021	December 2021
