

CLIFFORD ALL SAINTS PRIMARY SCHOOL NEWSLETTER

DECEMBER

LOOK AT WHAT WE ARE LEARNING

RECEPTION

Duck class have enjoyed preparing for Christmas as we have learnt about our final celebration this half term. The Christmas Post Office has been busy with children making cards and writing letters to post. The elves have been hard at work in Santa's Workshop, designing toys, building them and wrapping them up. We have enjoyed learning about the real reason we celebrate Christmas as we have focused on Jesus' birth over the past couple of weeks.

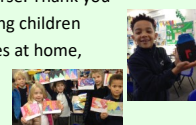

YEAR 1

Year 1 have had lots of fun this month! We have been exploring aerial view as part of our Geography topic and looking at the properties of different materials in Science. We have been super mathematicians and worked really hard on our additional problem solving challenges with our talking partners on Friday mornings! Recently, we have enjoyed sharing lots of our favourite stories, all about winter and Christmas. In the classroom, we set up our own voting station to decide which of the books was our favourite! Well done brilliant Year 1s - I am super proud of all your hard work

YEAR 2

In Y2 we have been very busy with Christmassy crafts and preparing for our nativity. Here are some of our beautiful Christmas cards and Roman showing off his design and technology sewing project, which is a felt purse. Thank you to all our adults for helping children practise their nativity lines at home, both of our performances were AMAZING!

YEAR 3

Here are some photos of our stone age pots that we have made this term In Year 3.

YEAR 4

In Year 4, we have been making leaf sculptures out of wire and modroc. It was the first time we had used modroc and it was a very messy and some things did not go as planned! We all showed resilience and perseverance! We will be painting them this week to finish them off.

YEAR 5

In Year 5 we have Drawing inspiration from the textile work of William Morris, in Y5 we embroidered a 'planetary fabric' - related to our space work in science.

YEAR 6

In Y6 we have been busy enjoying reading (and trying to finish the adventure before we break up!) our class text 'The Explorer' by Katherine Rundell. We have been researching different animals from the book that live in the Amazon rainforest and using our notes to write non-chronological reports. In Geography we have been learning about the different countries of South America, their climate and the different products they export around the world.

Thank you to everyone who came to watch the EYFS/KS1 Nativity Performances, we hope you enjoyed it as much as we did!

Also a big thank you to all the parents who attended the Carol Service, we all had a lovely evening and are sure you all did too.

All the staff at Clifford All Saints hope you have a lovely Holiday and we will see you all on the return of school on Wednesday 5th January 2022!

Reminder!

From January 2022 the school meals menu is changing. Please put your child's meals choices onto ParentPay before the first week back. The new menu's are also on the school website to download.
