2021-2024

Our School

Clifford All Saints Primary School is committed to creating an inclusive community in which children and adults treat each other with respect and consideration so that everyone can learn, achieve and be successful. We actively strive to create an ethos and environment supportive of learning and emotional health and well-being. We focus on the well-being and progress of every child and where all members of our community are of equal worth.

Through our work we aim to ensure that all children treat others with respect, tolerance and kindness regardless of faith, ethnicity, gender, sex, age, disability, gender reassignment and other protected characteristics. Diversity will be understood, celebrated and welcomed.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

Aims to eradicate discrimination

We believe that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating a prejudice-free environment where individuals feel confident and at ease is a commitment of the school.

Our approach to equality is based on the following key principles:

- Inclusion is at the heart of all of our work
- We are respectful.
- We treat all members of the school community fairly.
- Developing an understanding of diversity and the benefits it can have.
- We foster positive attitudes and relationships and a shared sense of cohesion and belonging.
- We have created an inclusive curriculum that is accessible to all.
- We encourage compassion and open-mindedness.
- We actively promote the advancement of opportunity of all
- We aim to reduce and remove inequalities and barriers that already exist.
- We have the highest expectations of ourselves and all our children.
- We listen to the concerns of all members of the community and responding appropriately and swiftly.
- We observe good equalities practice in staff recruitment, retention and development.
- We offer high quality education for everyone in a confident and open Christian environment, in which all faiths and beliefs are valued and respected
- We promote an ordered and caring school environment where children, staff, carers and parents demonstrate the highest standards of personal conduct and where children enjoy high levels of confidence and self-esteem
- We encourage the active contribution of families and the local community to the life of our school and value the close partnership between school, church and home

We are committed to having a balanced and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes. We will also respect the right of parents to withdraw their children from certain classes which pose conflicts to their own beliefs.

Discrimination, Victimisation and Harassment

Clifford All Saints Primary School will work to ensure no employee experiences discrimination, victimisation or harassment. Where there are incidents, these will be responded to quickly and appropriately.

Direct discrimination – Clifford All Saints employees will not be directly discriminated against. Direct discrimination occurs when someone is treated less favourably because of a protected characteristic they have or are thought to have, or because they associate with someone who has a protected characteristic

Discrimination by association - Clifford All Saints employees will not be discriminated against by association. Discrimination by association is direct discrimination against someone because they associate with another person who possesses a protected characteristic

Perception discrimination - Clifford All Saints employees will not receive perception discrimination. Perception Discrimination is direct discrimination against an individual because others 'think' they possess a particular protected characteristic. It applies even if the person does not actually possess that characteristic

Indirect discrimination - Clifford All Saints employees will not suffer indirect discrimination. Clifford All Saints policies, practices, rules and procedures will be fair and will not disadvantage people who share a protected characteristic. In some circumstances indirect discrimination can be justified if it is 'a proportionate means of achieving a legitimate aim'.

Harassment - Harassment is unwanted conduct related to a relevant protected characteristic, which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for that individual. Clifford All Saints employees should also not suffer from harassment because of perception or association. Managers should deal appropriately with instances of harassment and discuss with Human Resources if needed.

Third party harassment - As far as reasonably possible the Clifford All Saints will ensure its employees do not suffer any form of harassment from third parties who are not employees of the organisation, i.e. customers or clients. If an employee is known to have received or has reported receiving harassment from a third party, the employee's Manager will need to ensure reasonable steps are taken to prevent it from happening again.

Victimisation - Clifford All Saints employees will not suffer victimisation. Victimisation occurs when an employee is treated badly because they have made or supported a complaint or raised a grievance under the Equality Act; or because they are suspected of doing so.

Closing statement

At Clifford All Saints we aim for all of our community to feel supported and valued. We educate children through our curriculum, about the importance of the protected characteristics, equalities and the values of tolerance and respect.

We recognise the importance of quickly and appropriately responding to any concerns related to the promotion of the equality act and want to work proactively with our school community.

Prejudice is not tolerated and we are continuously working towards a more accepting and respectful environment for our school community.
