JUNE

LOOK AT WHAT WE ARE LEARNING

RECEPTION

Duck class enjoyed pirate and mermaid day at the beginning of June and they all survived walking the plank! The children have been designing and making pirate ships to test whether they would float or sink in the water. We talked about what materials would be best to use and why. We also made our own rock pool to help us learn about what you would find inside. We have really enjoyed learning the story of Tiddler and making up our own fishy tales!

YEAR 1

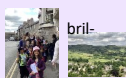

Year 1 have been learning all about plants! We have planted sunflowers, marigolds and poppies in our outside area and we are being super observers as we watch them grow. Currently, the marigolds are in the lead as they have grown the most! In PE, we have started yoga and we are learning lots of different poses that will help develop our strength, balance and mindfulness. At the beginning and end of our sessions, we say 'Namaste' which means hello and goodbye. We have been exploring numbers up to 100. This has involved us making the numbers using manipulatives, comparing and ordering numbers and finding one more and one less. In English, we are about to start our new book, The Secret Sky Garden, which has some beautiful illustrations.

YEAR 2

In Y2, we have been learning how to use world maps, atlases and globes to identify England. As well as this, we have been learning more about our city, Sheffield, and the human and physical features in it.

YEAR 3

Y3 visited Castleton as part of our Geography topic on the Peak District. We practised our fieldwork skills by marking up a map of the village with local amenities and points of interest. We really enjoyed visiting Peveril Castle, learning some of its history (including finding a medieval toilet) and taking in the breath-taking views across the Peak District. Y3 were fantastic and represented the school brilliantly.

YEAR 4

We had a great time on our residential to Thornbridge and were so blessed with the beautiful weather. The children enjoyed lots of activities including weaselling, map reading, orienteering, low ropes, the Thornbridge challenge and the highlight being the campfire! The children showed their Clifford values the whole time and we made some amazing memories!

YEAR 5

In Y5 this half term, through our 'City of Walls' project we have been completing a Geography fieldwork project which involved planning and following a route around York and looking at the physical features and development of the city. We were blessed with brilliant sunshine as we explored using our maps! In class we have also been looking at the human lifecycle in science.

YEAR 6

In Y6 we have begun our learning about coastlines by looking at the features of coastlines. We also used clay to make models of the features. We have been using our compass skills, knowledge of circles and angles around a point to draw spirals in circles and using our knowledge of fractions to draw spirals in squares. In English we have been exploring poetry based on emotions.

SPOTLIGHT ON STAFF

Mrs Hudson Admin and Finance Assis-

Hello, My name is Helen and I work in the school office doing Admin and Finance, I have been here for 27 years so I have seen a lot of changes! I think one of the reasons I have been here so long is that I love the contact I have with the children.

I have lived in Sheffield all my life. In my free time I love to walk my dog Scooby, who I rescued from Romania, I love DIY and I enjoy reading too if I get the chance. I look after my Granddaughter Ava who is 4 two days a week and she keeps me on my toes.

Mrs Kaur/AJ Kids Club Co-

I am a kids club coordinator, I have worked at Clifford for nearly 5 years at the Psalter Lane infant school. I really enjoy this job as I get to work with such active, creative and fun children, who teach me new things everyday.

I am a mum who likes to go out for walks with my children. I also like to go cycling with my youngest son in the countryside.

My hobbies are cooking and spending time with my family. My son loves it especially when I cook traditional Indian food.

Miss Akhtar Year 2 Teacher

I'm the year 2 teacher at the Psalter Lane site. I have really enjoyed working here at Clifford All Saints.

In my spare time I like to go on long walks and explore the outdoors.

My hobbies include dancing and gymnastics. My favourite food is pasta which I eat all the time.
