## **Pupil Transitions**

Moving between education settings, e.g. early years, between primary school, to a secondary or FE College is a hurdle in every pupil's life.

Friendships & staff change & learning environments, organisations & buildings replaced.

Pupils may also move for other reasons e.g. moving house, a disabled pupil transferring to a special school, fleeing domestic abuse, eviction, family breakdown, debts, changed immigration status, becoming a 'looked after child', needing residential mental health care/education.

They may arrive mid-term, have no friends, fear bullying, and have had previous moves. This can affect their ability to settle & learn & they may need a lot of support.

Where a pupil has safeguarding issues, you will need discussions, meetings, plans and reviews between the Designated Safeguarding Lead/Deputy (DSL/D) and other involved agencies.

All safeguarding information must be clearly & quickly communicated between DSL/D's at the previous and next setting, particularly if this is an unplanned move.

This can be done by:

- Telephone discussion do not assume that the
  previous setting knows where the pupil has moved
  to if you know a pupil is starting with you, you
  must ring the previous setting to check if the pupil
  has any safeguarding needs
- Face to face meetings to allow staff to thoroughly share information about a pupil's background, current situation or future risks
- Secure electronic transfer allowing easy and quick transfer of sensitive information between settings

**All** discussions (including phone calls) should be recorded on the pupil's individual safeguarding file.

Schools can choose when to admit a pupil as long as this is reasonable.

Transgender pupils may move to a new setting as a fresh start. Information about status is 'sensitive personal data' and explicit consent is required before it can be processed. With consent:

- Identify a staff member in the new setting who will support the transgender student
- Ensure the new setting has prepared for the needs of the student in line with this policy
- For more information see the document 'Transgender Students' on the Safeguarding Sheffield Children website: <u>Education Setting's</u> Policies, Procedures and Guidance

## **Top Tips:**

- Prepare the pupil for the change if possible
- Maintain routines & consistent responses
- Involve all parents, carers and those with parental responsibility unless there is a good reason not to
- Identify support and changed behaviour
- Share initial safeguarding information quickly by phone between the DSL/D at each setting
- Ensure there is a process for appropriately sharing relevant information received after a pupil has left the setting
- Remember, a child is anyone under 18 years

## Admission forms should include:

- Pupil's details e.g. name, gender, date of birth
- Name, address & emergency contact number of parents & adults with parental responsibility
- Where the pupil normally resides
- Date of admission
- · Details of last education setting attended

A pupil is the responsibility of the education setting from the first day that they have agreed or have been notified, that the pupil will attend.

The document: <u>Every Pupil Matters at...</u> provides a useful summary of a pupil's emotional, physical & social development.

A paper or electronic safeguarding file should be created for every pupil who has a Family Common Assessment, 'Child in Need' status and/or safeguarding/child protection concerns.

- Paper files transfer only by signed for/special delivery post or hand-deliver to the named DSL/D or Head, in the first week at the new setting
- If any sensitive information is transferred electronically it must be done safely & securely & meet data protection security transfer requirements.
- The guidance 'Safeguarding Files' can be found on the Safeguarding Sheffield Children website here: <u>Education Setting's Policies</u>, <u>Procedures and Guidance</u>
