- 1) Every child shall be given the opportunity to purchase milk at the current subsidised rate per term.
- 2) Payment for milk must be made in advance and in full and is on a no credit/no debit basis.
- 3) Milk is free to children under the age of five years. For the term in which the child attains the age of five therefore payment is on a sliding scale. Under Government legislation only children whose families receive Pupil Premium are entitled to free milk after this.
- 4) Water is available for all children. Each child has their own individual water bottle which is refilled every morning and washed regularly.
- 5) Permission to supply an alternative to school milk must be sought in writing. The drink must be in the form of an alternative milk, eg. soya milk, and must be provided daily in a small unbreakable container. The right to refuse such permission rests with the Headteacher and the Governing Body.
